On a cold Sunday in March, 2009, the day before the east coast was blanketed with upwards of a foot of snow, a group of 20 or so Episcopal Cursillistas from around the Diocese of Long Island gathered in All Souls' Chapel at St. Mark's, Islip, NY, to "make a joyful noise unto the Lord." We planned to record some of our "Songs of Praise" which would then be sold to raise funds to help export the Cursillo movement to the warm, tropical island of Barbados in August, 2009. This is our finished product. We hope you enjoy listening and singing along as much as we enjoyed recording these selections.
